

FLAG ROUTE SERVICE

ACRTA uses a flag stop method for the bus to stop. Simply stand by the curb of one of our bus routes and raise your hand to flag down the bus as it approaches. Do not approach the bus until it has made a complete stop and the doors open. If there are passengers alighting from the bus, stand back and allow them to clear the step well before you enter the bus.

TRANSFERS

Occasionally you may have to ride two different routes to reach your ultimate destination. Just ask the driver for your free transfer when boarding the bus. Transfers are valid at the downtown Transit Center only, and must be used within 45 minutes of your arrival downtown. Sorry, transfers can not be used for a return trip on the same route that issued the transfer.

SERVICE CANCELLATION

Whenever a snow or weather emergency is declared for Allen County, the ACRTA may have to cancel some or all of its services for everyone's safety. If there is snow accumulation, ice, extreme wind, heavy rain or severe stormy conditions and the ACRTA is advised to cancel public bus transportation, we will contact the local radio and television stations to air public service announcements informing you of changes in service. You may also call the information number at 419-222-2RTA during ACRTA's regular service hours to receive information and updates regarding service changes.
